Re: Reply Comment Period for Third Public Hearing on the Current and Future Wholesale Electricity Markets

The Pennsylvania Public Utility Commission (PUC) will hold a third public hearing on the current and future wholesale electricity markets on Thursday, December 18, at 12:30 p.m. Presenters and members of the public will have an opportunity to submit written reply comments. The hearing will be held in Hearing Room 1, Keystone Building, 400 North Street, Harrisburg, PA. It is open to the public. The Agenda is attached.

The hearing will be on similar topics as those addressed during the previously announced PUC *en banc* hearings on October 23 and November 6, although different speakers and viewpoints will be represented.

Administrative Law Judge Louis Cocheres will manage the course of the hearing. As part of the informal hearing process, Commissioners will pose questions after presenters have provided their testimony at the hearing. Except for questions from the Commissioners, no other questions will be permitted. Because this hearing is not an adversarial proceeding, a company need not be represented by an attorney. 52 Pa. Code §1.21(c). The hearing will be transcribed by a court reporter.

A presenter may submit written testimony and/or exhibits for inclusion in the record. A minimum of twenty-five (25) paper copies of each document should be brought to the hearing for distribution to the Commission, Commission staff, the court reporter and the Secretary. One (1) electronic copy should be provided to Administrative Law Judge Cocheres, lcocheres@state.pa.us, by 4:00 p.m. on December 15, 2008. If a presenter plans to use a PowerPoint presentation, an electronic copy of the PowerPoint presentation must be submitted to Tom Charles in the Office of Communications, thcharles@state.pa.us, by 4:00 p.m. on December 15, 2008. The PowerPoint presentation will be marked as an exhibit and entered into the record at the hearing. For clarity of the transcript, a presenter must identify the content and number of each slide while presenting.

Reply comments will be accepted from members of the public who are not testifying, but who wish to submit written comments for inclusion in the record. For presenters and members of the public submitting reply comments, an original and ten copies of the reply comments, as well as a copy in electronic format on diskette, must be filed with the Commission's Secretary on or before December 29, 2008. All reply comments will be posted on the Commission's Web site.

Any questions regarding this hearing should be directed to Administrative Law Judge Cocheres at (717) 787-9816, or lcocheres@state.pa.us, or Manager of Communications Tom Charles at (717) 787-9504, thcharles@state.pa.us. If you are a person with a disability, and you wish to attend the hearing, we may be able to make arrangements for your special needs. Please call the Scheduling Office at (717) 787-1399. The AT&T Relay Service number for persons who are deaf or hearing-impaired is 1-800-654-5988.

James J. McNulty
