RE: Summer Reliability Forum

The Pennsylvania Public Utility Commission's Summer Reliability Forum will be held on Thursday, June 7, 2012, at 1:30 P.M. in Hearing Room No. 1, Commonwealth of Pennsylvania's Keystone Building, 400 North Street, Harrisburg, Pennsylvania. The meeting will provide information about electric supply and service reliability for the upcoming summer.

PUC Chairman Robert F. Powelson will make opening remarks. Representatives from the PUC, PJM Interconnection LLC, the Energy Association of Pennsylvania and their member companies have been invited to provide information and updates. The topics that will be covered during the meeting include:

- Overview of the NERC 2012 State of Reliability report
- A storm response overview
- Electric distribution company perspective
- Forecasted load, generation and transmission adequacy for summer 2012
- Electric distribution system reliability updates

If you have any questions concerning this meeting or the enclosed agenda, please feel free to call Yasmin Snowberger, Reliability Supervisor at 717-425-5540.

Very truly yours,
