To Whom It May Concern:

The Pennsylvania Public Utility Code, 66 Pa. C.S. § 510(b), requires every public utility to file with the Commission a statement, under oath, showing its gross intrastate (jurisdictional) operating revenues for the preceding calendar year. Enclosed is the Assessment Report (Form GAO-10) that all Electric, Gas, Telephone, Water and Wastewater utilities must file with the Commission on or before March 31, 2011.

Public utilities that fail to file a properly completed, signed and notarized Form GAO-10 by March 31, 2011, will be in violation of 66 Pa. C.S. § 510(b) and the Commission will estimate such revenues for determining the appropriate utility assessment. That estimate is binding. In addition, failure to file an Assessment Report may subject the utility to civil penalties of up to \$1,000 for each day of the violation, pursuant to 66 Pa. C.S. § 3301.

Please read the enclosed instructions carefully before preparing your Assessment Report. **The completed original report with signature and notarization must be filed with the Commission's Assessment Section no later than March 31, 2011. No extensions will be granted.**

Any questions regarding the Assessment Report for calendar year 2010 (Form GAO-10) should be directed to Susan A. Daub at (717) 265-7548 or Stanley A. Heintzelman at (717) 772-0316.

Sincerely,

Rosemary Chiavetta
Secretary
