Sustainable Development Fund is Seeking Nominations for its Board of Directors

The Sustainable Development Fund (SDF) is currently seeking nominees to its board of directors. The **deadline** for receiving nominations is **Wednesday, November 4, 2009 at 5:00 p.m.** This notice contains information about SDF and the nomination process.

The SDF board has seven members who serve two-year terms. Three of those director positions are up for election. Directors are limited to two consecutive terms. The SDF board is currently meeting four times a year.

The mission of SDF is:

- To promote the use of renewable energy and advanced clean energy technologies;
- To promote energy conservation and energy efficiency; and,
- To promote sustainable energy businesses.

SDF is operated by The Reinvestment Fund and manages capital that was given to it under the terms of the settlement agreements in the PECO restructuring case and the PECO/Unicom merger case. Information about SDF may be found at SDF's website: <http://www.trfund.com/sdf/>. The "SDF Documents" page contains SDF's annual reports to the Pennsylvania Public Utility Commission and other important SDF documents. The Commission's docket number for the Sustainable Development Fund is Docket No. M-00031715F0002.

Candidates for nomination to the Board will be evaluated in terms of the following selection criteria:

- Demonstrated interest and experience in energy conservation, renewable energy and advanced clean energy technologies and applications.
- Knowledge and expertise in the financial structuring of clean energy projects, emerging clean energy market opportunities and/or public policy issues supportive of SDF's mission.
- Ability and willingness to help SDF identify potential clients and business opportunities and to help SDF expand its project pipeline and deal flow.
- Sensitivity to the perspectives and needs of PECO's different customer rate classes and other constituencies and stakeholder groups.

SDF is seeking nominations from persons interested in contributing to SDF's mission and work. SDF is publicizing this nomination announcement through a variety of means, including a written notice to the Pennsylvania Public Utility Commission and to the parties in the original PECO restructuring proceeding, an e-mail notice to SDF's e-mailing list and a notice on SDF's website.

Those who wish to nominate someone (including oneself) to the SDF board are to do that by submitting a **letter and a resume** to SDF. The letter should request consideration for nomination to the SDF board and should discuss how the candidate satisfies the nomination selection criteria listed on the previous page. The resume should provide contact information and the candidate's educational and work experience.

The **deadline for receiving nominations** to the SDF board is **Wednesday, November 4, 2009 at 5:00 p.m.** If submitting the nomination by regular mail, please allow time for delivery.

Nominations may be submitted by e-mail or by regular mail. The e-mail address is:

roger.clark@trfund.com

The regular mail address is:

Roger E. Clark
TRF Sustainable Development Fund
718 Arch Street - Suite 300 North
Philadelphia, PA 19106

I will be scheduling interviews with all nominees and the SDF nominations committee between November 10 through 24. Following these interviews, the SDF nominations committee will make its recommendations to the SDF board. The SDF board will vote on the nominees at its annual meeting on December 15, 2009.

Please feel free to forward this notice to anyone who may have interest in serving on the SDF board. Anyone with questions about SDF or the work of the board is invited to contact me directly. My telephone number and email address are listed below.

Thank you for your interest.

Sincerely,

Roger E. Clark
