**Re: PECO Energy Company's Proposed Conservation Service
Provider Contract with ECOS IQ Inc. – Docket No. M-2009-2093215**

Dear Secretary McNulty:

Enclosed for filing and Commission approval, please find the original of PECO Energy Company's ("PECO's") proposed Conservation Service Provider ("CSP") contract with ECOS IQ Inc.¹ ("ECOS") for the provision of program promotion and management services in connection with PECO's Smart Home Rebate Program under its Energy Efficiency and Conservation Plan. The Commission previously approved a PECO CSP contract with ECOS for provision of services in connection with PECO's Compact Fluorescent Lamp Program.

Please note that this Agreement is CONFIDENTIAL and should be accorded such treatment by the Commission.

As communicated by Commission staff, the following requirements are included in the Agreement:

- That ECOS must be approved by and registered with the Commission as a CSP (*see* Exhibit F to the Consulting and Professional Services Agreement);
- That ECOS must maintain this registration with the Commission throughout the term of the Agreement (*Id.*); and
- That ECOS certifies that it is not an EDC affiliate and must provide immediate notification to PECO should it merge with an EDC or otherwise become an EDC affiliate. Further, the occurrence of such an affiliate relationship or merger constitutes grounds for termination of the Agreement. (*Id.*).

¹ ECOS IQ Inc. was formerly known as ECOS Consulting, Inc. and was approved as a Commission-Registered CSP under that name on June 4, 2009. A copy of the approval is attached. ECOS IQ Inc. has submitted a filing to the Commission concerning its name change and that filing is pending.
