RE: Reports on Rate Ready Billing Platforms; Docket No. M-2010-2189433

Dear Secretary Chiavetta:

Please be advised that the Industrial Energy Consumers of Pennsylvania ("IECPA"), Duquesne Industrial Intervenors ("DII"), Met-Ed Industrial Users Group ("MEIUG"), Penelec Industrial Customer Coalition ("PICA"), Penn Power Users Group ("PPUG"), Philadelphia Area Industrial Energy Users Group ("PAIEUG"), PP&L Industrial Customers Alliance ("PPLICA"), and West Penn Power Industrial Intervenors ("WPPII") (collectively, "Industrial Customer Groups"), active participants in the Retail Markets Working Group ("RMWG"), will not be filing Comments to either the RMWG Rate Ready Report or Staff Ready Report in the above-referenced proceeding.

However, as articulated in the RMWG Rate Ready Report, the Industrial Customer Groups remain concerned about issues related to the estimated cost, cost recovery and allocation among customer classes associated with the implementation of Rate Ready billing statewide, given the inability to use Rate Ready billing variable rate designs. As a result, the Industrial Customer Groups renew their request that the Commission specifically evaluate and address these issues prior to issuing a directive regarding the statewide implementation of Rate Ready Billing.

Please date stamp the extra copy of this transmittal letter and kindly return it to our messenger for our filing purposes.

Very truly yours,

McNEES WALLACE & NURICK LLC
