**Re: Additional Requirements Regarding Registration
as a PJM Load Serving Entity, Docket No. M-2010-2157431**

Dear Secretary Chiavetta:

This letter is in response to the Secretarial Letter issued on March 18, 2010 at Docket No. M-2010-2157431, requiring Electric Generation Suppliers, on an annual basis, to provide proof of registration as a PJM Load Serving Entity or proof of a contractual arrangement with a registered PJM LSE that facilitates the retail electricity services of the EGS.

This response is for Duquesne Light Energy, L.L.C., who is a registered and operating EGS in the state of Pennsylvania. Enclosed are four copies of Eighth Revised Sheet No. 217 from PJM Interconnection's current "Schedule 12: PJM Member List" that is part of their Third Revised Rate Schedule FERC No. 24, documenting Duquesne Light Energy, L.L.C.'s present active membership status.

If you have any questions regarding the information provided, please contact me.

Sincerely,

Vernon Edwards
Regulatory Compliance Supervisor
