RE: Gateway Energy Services Corporation's Electricity Choice Activity Reports

Dear Secretary:

Attached please find Gateway Energy Services Corporation's Retail Electricity Choice Activity Reports. You will find separate reports including Form 4 for residential customers, and Form 5 for non-residential customers.

Gateway Energy requests confidential treatment for our responses which include customer account totals. Gateway considers this information to be confidential since revealing retail customer count information would cause substantial competitive harm.

As per the instructions you will find one original and two copies of our report labeled confidential, and two copies with the confidential data removed.

If there is anything further Gateway Energy needs to do, or if you have any questions, please contact me using the information provided below.

Sincerely,

Valerie Ross
