Re: Pa PUC v. Philadelphia Gas Works;
Docket No. R-2008-2073938

Dear Judge Pell:

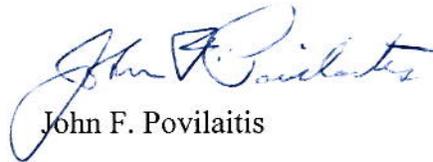

Your Order of February 15, 2012 granted the Motion of Interstate Gas Supply, Dominion Retail, Hess and Direct Energy (the "Natural Gas Supplier Parties" or "NGSs"), filed in the above-captioned matter, to hold this matter in abeyance pending resolution of the ongoing Purchase of Receivables ("POR") Collaborative. The Parties to the proceeding before you, Philadelphia Gas Works ("PGW") and the POR Collaborative Participants have exchanged new proposals, met and discussed specific issues and in general have been working toward an elimination, or at least a reduction, in the number of outstanding issues in the POR Collaborative and the Supplier of Last Resort litigation assigned to you by the Commission.

The parties have made progress in the resolution of some issues, however proposals on other issues are still pending and slated for further discussion among the Parties. The NGS Parties respectfully request that Your Honor allow the Parties to continue these discussions and provide another procedural update to you in thirty (30) days of this request. No Party to the case before you objects to this request. Counsel for the Philadelphia Housing Authority has not indicated a position on this request, but we do not anticipate any objection by that Party.

The Honorable Christopher P. Pell
