To Whom It May Concern,

I am writing in reference to Docket # M-2012-2282031, which involves the Gas and Hazardous Liquids Pipeline Act (Act 127) of 2011. Previously, Tioga Pipeline Company, a subsidiary of Gordon Terminal Service Company, owned and operated a hazardous liquid pipeline in Moon Township, PA. Tioga sold these assets to Buckeye Partners on August 3, 2010.

As a result of the sale of these assets, Tioga no longer owns or operates any pipeline segments associated with the transmission gas and/or hazardous liquids – and is therefore not subject to Act 127. Please remove Tioga from your mailing list, and feel free to contact me if you have any questions regarding this matter.

Sincerely,

Timothy H. Gordon  
Vice President
