RE: Citizens Telecom Solutions, LLC
Docket No. M-2012-2291824

Dear Secretary Chiavetta,

In its May 10, 2012 Order in the above cited docket, the Pennsylvania Public Utility ("PUC") Commission required intrastate access tariff filings to implement rate reductions set forth in the FCC's November 18, 2011 Order. By this letter, Citizens Telecom Solutions, LLC hereby advises the PUC that the company's intrastate switched access rates are presently lower than the comparable interstate switched access rates.

As Citizens Telecom Solutions current tariff already complies with the FCC's Order, no further action is required at this time.

Should any questions arise regarding this filing, please contact the undersigned at 570-371-3527.

Sincerely,

Cc: Citizens Telephone Company of Kecksburg (via email)
