Re: Commerce Energy Collateral Replacement, Electric License No. A-110117

Dear Ms. Chiavetta:

With this letter, Commerce Energy, Inc. is respectfully requesting a replacement of its current Letter of Credit collateral currently in place with that of a new bond certificate to meet requirements in accordance with Pennsylvania Code §54.40.

Enclosed with this letter, please see Commerce Energy's new bond collateral, certificate number 105772400, for compliance year 2013 in the amount of 1,520,000 dollars. Commerce Energy reported 2012 gross receipts in the total amount of \$15,157,779.27, and the enclosed collateral is based on that amount in accordance with the code.

Please release the existing collateral in writing on Commission letterhead and return to the address below.
