**RE: Cooperative Communications, Inc.; Docket No. M-2012-2291824
Supplemental Response**

Dear Ms. Chiavetta:

Please accept this letter submitted on behalf of Cooperative Communications, Inc. in the docket referenced above. In a previous letter dated May 28, 2013 filed in this proceeding, we noted that the Company's intrastate access rates currently in effect in Pennsylvania are already at the level of its interstate rates; accordingly, no tariff revision was required to comply with Step 2 of the FCC's ICC Reform Order. In response to an inquiry from Staff, the Company provides the following link to its FCC access tariff:

<https://apps.fcc.gov/etfs/public/lecTariffs.action?idLec=564>

The Company's interstate switched access usage rates are located on page 55. The Company has submitted the supporting spreadsheet required by the PUC via email to RA-PUCTelco@pa.gov.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3031 or via email to sthomas@tminc.com. Thank you for your assistance in this matter.

Sincerely,

/s/Sharon Thomas
