**Re: Energy Cooperative Association of Pennsylvania d/b/a The Energy Co-op
Request to Expand Jurisdiction; Docket No. A-110056**

Dear Secretary,

The Energy Cooperative Association of Pennsylvania d/b/a The Energy Co-op (“The Energy Co-op”) was originally granted a license by the Pennsylvania Public Utility Commission to supply Electric Generation Service to the Public in the Commonwealth of Pennsylvania on January 14, 1999. The Energy Co-op would like to amend their initial license to expand jurisdiction of service to include the PPL, Duquesne Light Co., Metropolitan Edison Co., Pennsylvania Electric Co., West Penn Power Co., and Pennsylvania Power Co. service territories.

Included with this submission are the revised portions of the Energy Co-op’s original application, reflecting updated contact and entity information as well as updated service territories of anticipated operations. Also included with this submission is the Certificate of Service confirming that a copy of this request has been served on the statutory agencies and each Electric Distribution Company that the Energy Co-op proposes to provide service in.

Please do not hesitate to contact me with any questions or concerns.

Respectfully Submitted,
