Re: Palmco Power PA, LLC - 2015 Electric Choice Annual Report

ATTACHMENT CONTAINS PROPRIETARY INFORMATION

Dear Secretary Chiavetta:

In accordance with 52 Pa. Code § 54.203, enclosed for filing with the Commission are the following documents:

1. Two redacted copies of the Electric Choice Activity Report for the 2015 calendar year ("Activity Report") of Palmco Power PA, LLC ("Company"); and
2. Two unredacted copies of a confidential version of the Company's Activity Report.

Pursuant to 52 Pa. Code §§ 5.365(b) and 54.203(3)-(4), the Company hereby respectfully requests confidential treatment and exception from public disclosure for the enclosed Activity Report. Specifically, the Company requests that the total number of residential and non-residential customer accounts reported in the Activity Report be granted confidential treatment.

The Company requests confidential status of its Activity Report because its release would unduly harm the Company's business and competitive interests. The Activity Report sets out commercially sensitive proprietary information which, if disclosed, would enable competitors to obtain valuable competitive information concerning the Company's corporate strategies, give an unfair advantage to the Company's competitors, and cause economic injury to the Company. The data contained in the Activity Report is treated confidentially by the Company and is not available to the general public.

For the reasons stated above, the Company respectfully requests that the Activity Report be deemed to be confidential material exempt from public disclosure under 52 Pa. Code §§ 5.365(b) and 54.203(3)-(4).

Respectfully submitted,

Palmco Power PA, LLC
