RE: License No. A-110055 Consolidated Edison Solutions, Inc.,

Dear Secretary Chiavetta:

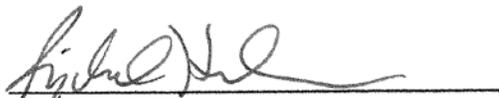

Consolidated Edison Solutions, Inc. (“ConEdison Solutions”) recently submitted a letter advising the Pennsylvania Public Utilities Commission (PAPUC) of a pending transaction involving its electric and natural gas supplier business (“retail commodity business”). In that letter, ConEdison Solutions noted that on July 27, 2016, ConEdison Solutions and Exelon Generation Company, LLC (“Exelon”) entered into a definitive agreement for Exelon to purchase the assets associated with ConEdison Solutions’ retail commodity lines of business, including ConEdison Solutions’ operations as a licensed electric and gas supplier in Pennsylvania.

ConEdison Solutions is submitting this additional notification to inform the PAPUC that this transaction with Exelon has closed effective September 1, 2016.

As previously noted, this transaction will have no adverse impact on any of ConEdison Solution’s customers and is purposefully structured to ensure a seamless transition. For the near term, ConEdison Solutions will continue to serve retail commodity customers and operate the retail commodity business under its existing brand name, licenses and legal authorities for a transition period during which both ConEdison Solutions and Exelon will jointly plan the operational transfer of customers. Once operationally feasible and consistent with any applicable regulations and notice requirements governing the assignment of customers, ConEdison Solutions will transfer all of its retail commodity customers to one of the licensed retail supplier affiliates of Exelon who will service these customers in accordance with their existing contract terms and conditions.

If there are any questions regarding this matter, or if any additional information is required, please call me at (412) 368-5988 or email me at HUDSONR@CONEDSOLUTIONS.COM.

Sincerely,

Richard J. Hudson Jr.
