PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAURe: Pennsylvania Public Utility Commission v. Philadelphia Gas Works,
Docket Nos. R-2009-2139884; P-2009-2097639**Joint Petition For Interlocutory Review Of A Material Question And Approval
Of A Partial Settlement**

Dear Secretary McNulty:

On behalf of Philadelphia Gas Works ("PGW") and the Clean Air Council ("Council"), enclosed for filing is a Joint Petition For Interlocutory Review Of A Material Question And Approval Of Settlement ("Petition") for expedited implementation of two residential customer demand side management ("DSM") programs – the Low-Income Retrofit Program and the Comprehensive Residential Heating Retrofit Program – included in PGW's Five-Year DSM Plan in the above referenced proceeding.

The material question requests the Commission to grant the Joint Motion For Partial Summary Judgment ("Motion") for approval of a Stipulation and Partial Settlement ("Settlement") between PGW and the Council for early implementation of these two residential programs. The Motion with the supporting affidavits of Steven P. Hershey, Cristina Coltro, John J. Plunkett and Joseph O. Minott and referenced materials as well as the Settlement are also enclosed.

Please note that the Petition requests the Commission to consider this matter as soon as possible.

Accordingly, PGW and the Council request that the Commission direct that answers to the Motion be filed and served at the same time briefs in response to the Petition must be filed pursuant to 52 Pa. Code § 5.302(b).

PGW and the Council are asking for this expedited schedule because the sooner the Commission considers and approves the Settlement, the sooner PGW can start the process of delivering conservation services to low-income and other residential customers.
