**Re: Aqua Pennsylvania, Inc., Long-Term Infrastructure Improvement Plan**

Dear Secretary Chiavetta:

Per the Secretarial Letter of October 31, 2016, the Pennsylvania Public Utility Commission ("Commission") established a staggered schedule for water companies to file their Long-Term Infrastructure Improvement Plans ("LTIPs") as directed in the Commission's Order entered on September 15, 2016 in Docket No. M-2012-2293611. Aqua Pennsylvania, Inc. ("Aqua") is requesting an extension to file its LTIP to no later than January 31, 2017. The reason for the requested extension is that, on December 29, 2016, the Commission staff provided guidance to water utilities regarding expected information to be included in LTIPs. In order to incorporate additional information into Aqua's LTIP to conform to the Commission's guidance, a short extension of time is needed.

If you have any questions regarding this request, please contact me at 717-612-6029.

Respectfully submitted,

Michael W. Hassell
