Electric Generation Supplier Company

Dear Sir or Madam:

This letter is to advise you that the Commission is now conducting a review of the results of the assessment process for fiscal year 1998-1999 with respect to the electric industry. The Commission is advising all electric generation supplier (EGS) companies that this review may well result in a recalculation and rebilling of assessments for fiscal year 1998-1999.

With respect to EGS companies, the Commission is requesting that these companies review their revenue reports to the PUC to confirm that only revenues subject to the jurisdiction of the Commission were reported. Revenues derived from wholesale transactions should not be included in this amount. Please respond with your correct revenues within 10 days of receipt of this letter to G J Gillert, Executive Assistant to the Executive Director, Pennsylvania Public Utility Commission, P.O. Box 3265, Harrisburg, PA 17105-3265. A Copy of your response should be sent to Richard Wallace, Bureau of Audits, Pennsylvania Public Utility Commission, P.O. Box 3265, Harrisburg, PA 17105-3265.

Questions regarding this review should be directed to Richard Wallace at (717) 783-5000.

Sincerely,

James J. McNulty  
Secretary
