Re: Docket No. L-2016-2557886 – Initiative to Review and Revise the Existing Low-Income Usage Reduction Program Regulations

Dear Secretary Chiavetta:

This correspondence shall serve as notice that Peoples Natural Gas Company LLC, Peoples Natural Gas Company LLC – Equitable Division and Peoples TWP LLC (collectively “Peoples” or the “Company”), will not file Initial Comments in the above-mentioned Docket. Peoples fully supports the Commission issuing a Secretarial Letter seeking stakeholder input on topics important in determining the scope of a future rulemaking to update the Commission’s existing Low-Income Usage Reduction Program (“LIURP”) Regulations at 52 Pa. Code §§ 58.1 – 58.18. The Company expects that the Energy Association of Pennsylvania (“EAP”) will file Initial Comments in this proceeding, on behalf of its members, including the Pennsylvania natural gas distribution companies. Peoples has previewed the EAP Initial Comments and supports the suggestions and analysis provided therein.

Peoples looks forward to the dialogue that will occur as a result of this proceeding and reserves its rights to provide Reply Comments in this proceeding, and to participate in future proceedings regarding this subject-matter.

Please contact the undersigned at (412) 208-6834 should you have any questions or concerns regarding this matter.

Very truly yours,

Jennifer L. Petrisek
