Re: Commerce Energy Company Name Change Notice - Resubmittal

Dear Rosemary Chiavetta:

This is a revised submittal to create a previous notice that was submitted without an official officer signature. Commerce Energy, Inc. ("Commerce Energy") is a certified/licensed Electric Generation Supplier under license number A-110117 and a Natural Gas Supplier under license number A-125138 in Pennsylvania. With this notice Commerce Energy notifies you of a company name change effective April 1, 2017. As of that date Commerce Energy will change its name to **Just Energy Solutions Inc.** This change does not result in a material change it is simply just a name change. We will maintain the same Tax ID, operational functions, business contacts and all customer operational functions and agreements will remain the same. In addition, Commerce Energy will notify all customers of the new company name prior to the change.

Just Energy is an energy management solutions provider specializing in the sale of electricity, natural gas, solar and renewable energy credits and carbon offsets as well as energy efficiency products. The Company currently operates in the United States, Canada and the United Kingdom, offering a wide range of energy products and home energy management services including long-term fixed-price, variable-price, and flat-bill programs, smart thermostats, and residential solar panel installations. With this name change, Commerce Energy is hoping to further brand recognition. Please see enclosed copy of customer notice and new corporate organization chart.

We respectfully ask that you notify us if any additional steps and/or further information are required or needed. Should you have any questions please contact Kristina Montgomery by telephone at 717-418-6508 or by email at kMontgomery@justenergy.com.

Sincerely,
