Re: **Duquesne Light Energy, LLC**  
**Load Serving Entity Compliance Form – Annual Filing**

Dear Secretary Chiavetta:

This letter is in response to the Secretarial Letter issued on March 18, 2010 at Docket No. ~~M-2012-2157431~~, requiring Electric Generation Suppliers, on an annual basis, to provide proof of registration as a PJM Load Serving Entity or proof of contractual agreement with a registered PJM LSE that facilitates the retail electricity services of the EGS.

This response is for Duquesne Light Energy, LLC, a registered and operating EGS in the Commonwealth of Pennsylvania. Enclosed is a copy of PJM Interconnection's current Schedule 17 of the Reliability Assurance Agreement Among Load Serving Entities in the PJM Region, as part of its Rate Schedule FERC No. 44, documenting Duquesne Light Energy, LLC's present active membership status as shown on Page 236.

If you have any questions regarding the information provided, please contact Audrey Waldock at (412) 393-6334 or [awaldock@duqlight.com](mailto:awaldock@duqlight.com).

Sincerely,

Mark E. Kaplan  
President

Enclosure

c: Bureau of Technical Utility Services ([dgill@pa.gov](mailto:dgill@pa.gov)) (w/ enc.)

Duquesne Light Energy is an unregulated subsidiary of Duquesne Light Holdings, Inc., and is not the same company as Duquesne Light Company, its affiliated electric distribution company. The prices of Duquesne Light Energy are not regulated by the Pennsylvania Public Utility Commission. You are not required to buy electricity or other products from Duquesne Light Energy to receive the same quality service from Duquesne Light Company.

## LOAD SERVING ENTITY COMPLIANCE REQUIREMENT FORM

On an annual basis, EGSs providing retail electric supply service (i.e. take title to electricity) must file with the Commission this Load Serving Entity (LSE) Compliance Requirement Form. EGSs are directed to attach to this form documentation which provides the following:

- Proof of registration as a PJM LSE, or
- Proof of a contractual arrangement with a registered PJM LSE that facilitates the retail electricity services of the EGS.

Examples of sufficient documentation to satisfy this compliance requirement include, but may not be limited to:

- A screen print showing that the EGS is listed as a Party to an effective version of the PJM Reliability Assurance Agreement (RAA), located at Schedule 17 of the RAA.
- Correspondence, such as an e-mail screen print or regular mail scan, from PJM verifying membership as an LSE.
- Documentation of an effective contract between the EGS and another party that serves as the LSE on behalf of the EGS. In such a case, the documentation must also include proof that the party fulfilling the LSE role is indeed registered with the PJM as an LSE

EGSs may mark all or portions of their filing confidential.

EGSs which do not provide retail electric supply service, such as brokers, must file an LSE Compliance Requirement Form with the appropriate box checked below. No attached documentation is necessary for EGSs whom operate in such a capacity.

### SELECT ONLY ONE OF THE FOLLOWING

- EGS provides retail electric supply service and has attached compliance with the LSE requirement hereto.

*Description of attachment (provide a brief description of the attachment below):*

Copy of PJM Interconnection's current "Schedule 17" of their "Reliability Assurance Agreement Among Load Serving Entities in the PJM Region".

- EGS does not provide retail electric supply service and therefore, is not presently obligated to provide such documentation.
