**RE: Consolidated Edison Solutions, Inc., License Number A-110055  
Notice of Customer Assignment to Constellation NewEnergy, Inc.,  
License Number A-110036**

Dear Secretary Chiavetta:

Consolidated Edison Solutions, Inc. ("ConEd Solutions") will assign some of their Pennsylvania retail electric customers, Constellation NewEnergy, Inc. ("CNE") in June, 2017.

We have discussed with the Office of Competitive Markets Oversight ("OCMO") that the nature of this transaction is the equivalent of a minor name change and a license change. We have been advised that a notice providing the new name and license number for CNE is appropriate and we will be sending this to our affected customers. A copy of the notice is enclosed.

OCMO directed us to the EDCs and have them suppress the enrollment confirmation letters. We understand that this is generally standard practice in any assignment process.

If there are any questions regarding this matter, or if any additional information is required, please call me at (412) 913-8407 or email me at either of the addresses listed below.

Sincerely,

*Colleen P. Kartychak*
