**RE: Notices of Customer Assignments to Constellation NewEnergy, Inc.; Docket No. A-110036;
Supplemental Data Response**

Dear Secretary Chiavetta:

Enclosed please find a Supplemental Response to Data Requests regarding the gross receipts affected by the transfer of customers from ConEdison Solutions (Con-Ed), Constellation Energy Services (CES), and Constellation Energy Power Choice (CEPC) to Constellation NewEnergy Inc. (CNE).

All respondents, CES, CEPC, and Con-Ed, respectfully request that the Commission accord confidential treatment to the documents submitted due to the confidential and proprietary financial information contained therein. Such information is not made available to the public. General dissemination of the information contained in the supplemental data response would harm the position of the respondents in the marketplace as it would provide its competitors with financial data and other proprietary information critical to their ability to do business in the state. Further, the respondents request that supplemental data response be perpetually held as confidential due to the presumed perpetual existence of its business.

Please do not hesitate to contact me with any questions regarding this response. My telephone number is 412-913-8407 and my email address is colleen.kartychak@constellation.com

Sincerely,

A handwritten signature in black ink that reads "Colleen P. Kartychak". The signature is fluid and cursive.
