Re: FCC Intercarrier Compensation - Workshop and Solicitation of Comments on the
Missoula Plan Docket No. M-0061972

Dear Mr. McNulty,

Pursuant to the Commission's August 23, 2006 Notice, Verizon¹ and Verizon Wireless (hereinafter "Verizon") provides the following outline of comments concerning the Missoula Plan ("Missoula" or the "Plan") filed on July 17, 2006 by certain parties at the Federal Communications Commission ("FCC") in CC Docket No. 01-92. Verizon does not support the Missoula Plan and plans to provide the Commission with more detailed comments prior to the workshop, scheduled for September 11, 2006.

As requested in the Notice, I will act as the contact person for Verizon's comments. Verizon will have additional representatives present at the Workshop to address Staff's questions concerning these comments.

Very truly yours,

Via E-Mail and UPS Delivery
cc: The Honorable Kandace Melillo
Joseph Witmer
